## CAREER BRIEF

I have been working on youth skills development for almost 22 years. While working with young people, I have had the opportunity to travel to different districts of Bangladesh. Also, I have had the opportunity to travel to different countries of the world to spread the success stories of the youth of Bangladesh. I also work as a public speaker, blogger, creative content developer, trainer and consultant. I have identified three pillars of my career through which I develop youth skills. These are Entrepreneurship Development, Digital Transformation & Employability Enhancement.

## Key Accomplishment

- Authorship and Publication: Wrote a groundbreaking book on employability (career readiness) in Bangladesh, which will be released in May 2021. Book Links [Employability](#) & [Intrapreneur](#).
- Online Course Development: Designed and created a full online employability course. [Link](#)
- Professional Training: Trained approximately 5,000 local professionals in a variety of skill sets.
- Soft Skills Training and Youth Motivation: Successfully delivered soft skills training in Communication, Leadership, Creativity and Innovation, and Human-Centric Problem Solving. Motivated nearly 50,000 youth and professionals from various educational institutions and organizations in Bangladesh, spanning six divisions.
- Event Organization and Impact: Organized over 30 national and international learning events that directly and indirectly benefited over 500,000 young people and professionals.
- Leadership and Organizational creation: Directly supervised the creation of seven organizations.
- Career Columnist and Blogger: Regular contributor to numerous dailies and online venues, with over 100 articles published. Recognized as the author of the first book on employability in Bangladesh.
- Online Content Creation: Produced over 500+ online videos concentrating on soft skills that were shared across many social media platforms.
- Master Trainer for the ILO TVET Reform Project: Currently serving as a master trainer, visiting and training personnel at over 100 public and private institutions, polytechnics, industries, and associations.
- Resource Speaker and Implementation of the ILO SIYB Learning Model: To apply the ILO SIYB Learning model, we collaborated with major organizations such as Concern Bangladesh, Coca Cola, IDE, ILO, SIDA, CIDA, Plan International Bangladesh, Oxfam, A2i Prime Minister's Office, and BSCIC.
- Collaboration with Educational Boards and Projects: Worked with the Bangladesh Technical Education Board (BTEB), a2i, and the ILO Skills21 Project on module development, customization, translation, and pedagogy development.
